Cotecna is a leading provider of testing, inspection and certification services. We offer solutions to facilitate trade and make supply chains safer and more efficient for our clients.

Inspection Services

We are present in all key markets (Thailand, Vietnam, India, Myanmar, etc.), where we deliver a wide range of tailor-made services for your rice shipments upcountry and at ports, helping you minimise risks due to delay, damage and losses, including:

- > Pre-sampling
- > Warehouse packing supervision
- > Containers stuffing supervision and sealing
- > Vessel hatches and holds inspection; water tightness
- > Loading and discharge supervision
- > Sampling and analysis
- > Weighing supervision
- > Fumigation monitoring
- > Stock monitoring
- > Conformity assessment testing

Testing Services

According to international standards and within a fast turnaround time, our qualified analysts will perform:

- > On-spot testing
- > Physical testing
- > Chemical analyses
